

December 2018

San Tan CU invites you to attend our--your-- Annual Meeting and Member Appreciation Day on Friday, March 1, 2019. Why? Because all members are equal owners of the credit union, whether their deposits amount to \$25 or \$250,000.

San Tan CU's annual meeting is democracy in action. It's an occasion for management and elected officials to report to you, our owners. And, it's an opportunity for you to raise concerns, ask questions, or meet the management team.

Here, you'll learn more about the credit union's financial position, products and services, current business issues, and future goals. You'll be able to meet face-to-face the people--professionals and volunteers--who run your credit union.

How is the credit union different from other financial institutions? Is the credit union launching new products or services? Is the organization facing special challenges? Find

out at the annual meeting. There's no better time to evaluate the financial condition of your credit union and to learn more about how you

and fellow members save and borrow together.

Without member input, credit union leaders could only guess what owners like you want from their financial institution.

When you attend the annual meeting, chances are you'll leave with a better understanding of its purpose and goals, and be better prepared to face today's many financial challenges.

Feeling the Money Squeeze?

Free up your cash when you Skip-A-Payment on your STCU loan.

Skipping your payment does not impact your payment record or credit score. STCU simply advances your due date by one month and extends the term of your loan. For example if your remaining loan term is 36 months, you would make 36 payments over 37 months.

And it's an easy process, download a form from our website at www.santancu.org.

Looking forward to serving you in 2019 The San Tan CU Family
